

TrailPeak Outdoor Co. — Loyalty Tier Program FAQ

TrailPeak's loyalty program has three tiers — Bronze, Silver, and Gold — based on cumulative annual spend. Tier benefits apply automatically at checkout.

Tier Thresholds and Benefits

Tier	Annual Spend	Key Benefits
Bronze	\$0 - \$499	Standard shipping, birthday discount
Silver	\$500 - \$1,499	5% off all orders, early access to sales
Gold	\$1,500+	10% off all orders, free expedited shipping, priority support queue

How Tier Is Calculated

Tier is recalculated at the start of each calendar year based on the prior year's total spend. Customers keep their tier for the full year even if spend drops.

Priority Support

Gold-tier customers are routed to a priority queue for all support tickets, including warranty claims and late-delivery escalations, with a target first response time of 4 business hours.
